Why do you want to be a member of the NJSRA board?

I have been a member of the NJSRA board for over 30 years. As a Technical Delegate for US Ski and Snowboard I have remained as independent as possible and represented the athletes while on the board. I continue trying to make the programs and all of NJSRA stronger and growing. I feel that all racers and families deserve the best. We need to work together to get training and races to help our athletes to be proud of their accomplishments.
