<p>Why do you want to be a member of the NJSRA board? I will bring my organizational skills and highly motivated personality to positively benefit the board and the athletes. I want to help the board balance the interests of the two remaining NJRSA mountains to make the best decisions for the parents and athletes going forward. I am a very organized individual that can provide assistance in any situation as I have deep experience having been in the ski racing circuit for almost 20 years. Being a board member requires a high level of dedication and commitment to responsibilities that extend beyond attending monthly board meetings, and this is something that I will continue to put my skills towards to the best of my ability.</p>			
<p>What specific experience/skills will you bring to the board as a Director</p> <p>I am straight forward and impartial, and I think the board could continually benefit from these qualities. I believe because of the way the decisions that will be made are affecting many parties that need to be taken into consideration constantly. I have co chaired Karen Wieble numerous times, which portrays how much leadership skills are exceptional with the amount of organization, time management, and the delegation of tasks to others that go into it. I have been the Race</p>			

Administrator at MP for the past three seasons. Additionally, I am trustworthy, which I feel is an essential trait of any board member.
