<p>Why do you want to be a member of the NJSRA board?</p> <p>Throughout my years of ski racing, the sport has evolved, and I have a unique perspective on how the decisions of the board directly affect athletes, coaches, and family members. As an athlete as well as coach, at attendance and contributing to various events at other venues, I will use these experiences to establish a fair and equal sports organization where all input is acknowledged. Athletes are the number one priority for decision making and I intend to put their aspirations above all.</p>			

What specific experience/skills will you bring to the board as a Director

Being an active coach with Level 100 coaching certification and Level 1 Referee as well as Head U12 coach, my knowledge of ski racing extends beyond on the snow skills. I intend to use my leadership skills, which include collaboration, ingenuity, and perseverance to guide my decision making as a director to the NJSRA board. In addition to being a coach and a member of NJSRA, I actively seek resources for athletes and coaches to continue their education on and off the snow to create a program that is comparable to other regional organizations of ski racing.
